What is this type of insurance?

This is an insurance to cover your Furo Systems bike. It is intended for natural persons aged 18 or over, individuals, companies or self-employed persons ordinarily resident in the UK. We insure bikes up to a maximum of £ 10.000 and up to 3 years after the first sale.

Insured Amounts:

- ✓ Theft guarantee: the insured value of the bike and its original fixed accessories (max. £100) minus the contractual excess.

 - If economically justifiable, we will pay for the repair in full, after deduction of the excess.
 - If repair is not possible or not economically justifiable, we will reimburse the amount of damage to the insured bike after deduction of the excess. The amount of the damage is equal to the value specified in the policy schedule, excluding any additional administrative or delivery costs.

- ! The insurance is available to persons ordinarily resident in the UK.

Where am I covered?

- ✓ You are covered in the European Union, in the United Kingdom of Great Britain, the Principalities of Andorra and Monaco, the Vatican City, Iceland, Liechtenstein, Norway, San Marino and Switzerland.

What are my obligations?

- You must provide us with the exact information and circumstances at the time of the conclusion of the insurance contract.
- You must inform us of any changes that occur during the term of the insurance contract that affect the items and statements mentioned in the policy.
- You must notify us of any claim to the insurance intermediary as soon as possible and no later than 8 days from the time it becomes known to the insurance intermediary. In the event of a claim, you must take all necessary measures to limit the extent of the damage.
- You must report the theft of the bicycle to the police or judicial authorities within 24 hours of becoming aware of the theft or attempted theft and damage. A copy of the report will be requested when you make a claim.
- If it is possible to repair your bike, you must go to an approved repair shop and provide us with an estimate of the damage before the repair is carried out.
- You must pay the premium(s) as and when they are due.

When and how do I pay?

You must pay the premium when you take out the policy online. Payment must be made in full and can be made by either debit or credit card. You will receive an invitation to pay from your insurer at renewal if you wish to renew your policy.

When does the cover start and end?

The start date and duration of the insurance are indicated in the policy schedule. Coverage begins at the time specified in the policy and ends on the expiry date at 12:00 a.m.

The contract is concluded for a period of one year and a renewal can be offered for a further period of one year two times. If you have purchased the second-hand bike, renewal can be offered only if the bike is not older than 3 years after the first owner's purchase.

The cover automatically ends if the bicycle is stolen (and not recovered) or destroyed, after a claim in respect of the theft or material damage is settled.

How do I cancel the contract?

- You may cancel the insurance contract within 14 calendar days of receiving the policy documents without charge or penalty. Cancellation takes effect immediately after notification. You will receive a full refund of the premium paid as long as you have not made a claim and do not intend to make a claim.
- If you are offered a renewal of the insurance contract, you may cancel the renewal by contacting us by email to contact@qoverme.com. You should notify us no later than 10 days before the start date of your new policy (as stated in the renewal notice) if you do not wish to renew your policy.
- You can also cancel the insurance contract after a claim, no later than 15 days after payment or a refusal to pay compensation. The insurance contract will then terminate 15 days after notification. You must inform us by registered letter or email to contact@qoverme.com.
