If the *material damage* to the *insured bike* is repairable and economically justified ((ie. the repair cost does not exceed the value of the bike, after deduction of the applicable depreciation), we will pay for such repair in full, and we will transfer this amount to your bank account after deduction of the excess.

### In case of total loss:

If the *material damage* to the *bike* is not repairable or if the *insured bike* has been stolen in its entirety and has not been found within 14 days of reporting the *theft* to the police, we offer the following:

- a compensation in the form of a voucher (voucher) valid for use in the reseller's online store;
- or
- a monetary value equal to the damage amount of the insured *bike* after applying the excess and depreciation applicable.

By accepting *compensation* in the event of *theft*, you agree to transfer ownership of the stolen *bike* to the *insurer*. If the *insured bike* is found afterwards, it will remain the property of the *insurer*.

We consider an *insured bike* where the repair cost is higher than the economic value as an economic total loss and we reimburse such in accordance with the provisions in this section.

No depreciation is applied to the compensation calculation during the first 36 months (3 years) of the bike. As from the 37th month, a depreciation is applied.

The minimum amount of *compensation* is set at 50% of the *insured value*. Any calendar month started is counted as a full month. The initial date to be taken into consideration is the date mentioned on the bike purchase invoice.

You will find below a table showing the *compensation* you will receive depending on when your *bike* is stolen or total loss.

DEPRECIATION COMPENSATION TABLE	
Year	Maximum compensation (Depreciation as from 37th month)
At the end of year 1	100%
At the end of year 2	100%
At the end of year 3	100%
From the beginning to end of year 4	75%
From the beginning to end of year 5	50%

When the *insurance intermediary* handles a claim you make under this policy they act as our authorised agents. This means that any valid claim you make with the *insurance intermediary* which is to be settled by a payment of *compensation*, is not deemed to have been settled until you have received the payment.

## 25. What if there is disagreement about the *compensation*?

We will determine the amount of the *compensation* together with you. In the event of disagreement about the amount, the *insured* and the *insurer* will each appoint an expert who will determine the *compensation* amount. If no agreement is reached, both experts will jointly appoint a third expert and the final decision with regard to the *compensation* amount will be taken by the latter.

Each *party* bears the costs and fees of its expert.

The costs of a third party appointed expert shall be divided between both *parties*.

This is without prejudice to the possibility of recourse to other ADR mechanisms or in court.

## 26. What is the excess amount in case of *theft* or *material damage*?

*Compensation* for damage is always deducted from an excess which applied to the purchase value of the *bike* and all insured *accessories* that are fixed to the *bike*, as stated on your invoice and the *policy schedule*.

- In the event of *theft* and total loss, an **excess of 10%** of the total *insured value* is applied, with a **minimum of €50 and a maximum of €200 per claim**.
- In the event of repairable material damage, an **excess of 10%** of the total *insured value* will be applied, with a **minimum of €50 and a maximum of €200 per claim**.

## 27. How is *compensation* paid in the event of bankruptcy of the *reseller* or the *manufacturer*?

In case of bankruptcy of the *reseller* or the *manufacturer*, we will transfer the damage amount to your bank account after deduction of the excess.

We will act within your rights and claims against any liable *third party* up to the amount of our expenses. Except in the event of malicious intent, we cannot exercise recourse against your descendants, ascendants, spouse, lineal relatives, persons living with you under one roof, your guests, and the members of your household staff.
