What are my obligations?

- You must use an agreed lock, either ABUS (security 10 or more), [AXA Hiplok, Kryptonite, Linka (with chain), Master Lock, texlock, Trelock] if it is a VdS approved lock of class A+ or B+, or FUB (category 2 wheels or higher) approved, or approved by Sold Secure Silver (or Gold) or by approved ART category 2 (or higher), or Onguard and SRA Locks.
- You must provide us with the exact information and circumstances at the time of the conclusion of the insurance contract.
- You must inform us of any changes that occur during the term of the insurance contract that affect the items and statements mentioned in the policy.
- You must notify us of any claim to the insurance intermediary as soon as possible and no later than 8 days from the time it becomes known to the insurance intermediary. In the event of a claim, the user must take all necessary measures to limit the extent of the claim.
- You must report the theft of the bike to the police or judicial authorities within 24 hours of becoming aware of the claim. A copy of the report will be requested at the time the damage is reported.
- If it is possible to repair your bike, you must go to a repair shop and provide us with an estimate of the damage before the repair is carried out.
- You must pay the premium(s) due.

When and how do I pay?

You must pay your premium, the policy costs and insurance tax on the premium due date. In case of renewal, you will receive an invitation from your insurer to pay.

When does the cover start and end?

The start date and duration of the insurance shall be stated in the policy schedule. The insurance starts at the hour specified in the policy and ends each time at 00:00 on the main expiry date. The insurance contract shall run for one year and shall be tacitly renewed each year.

We insure the bike for a maximum of 5 years after the initial purchase. If you have purchased a second-hand bike, we insure the bike until 5 years after the first owner has purchased it. At the end of the insurance year in which your bike reaches 5 years old we will assess whether we can offer you a suitable insurance proposal after we have appraised your bike. In case the risk of theft or total loss during the first year disappears, the premium remains acquired for the insurer for the remaining term of the insured period.

How do I cancel the contract?

- You can cancel the insurance contract in full on the main due date. To do so, you must notify us in writing at least 2 months before the expiry date.
- You can cancel the insurance contract if we make changes to the rates or amend the general terms and conditions. In this case, we will apply the statutory provisions and applicable notice periods. If this applies to you, we will let you know.
- You may cancel the insurance contract within 14 calendar days of receiving the policy schedule and general terms and conditions without charge or penalty. Cancellation takes effect immediately after notification. You will receive a full refund of the premium paid as long as you have not made a claim and do not intend to make a claim.
- You may cancel the insurance contract after it has been tacitly renewed on the principal due date. The insurance contract then terminates 1 month after the day of notification. If you cancels the insurance contract after the renewal because you are no longer the owner of the insured bike, the insurance contract ends automatically with immediate effect at the moment of transfer of the insured bike, unless the risk already passes to the transferee before the transfer. In that case, this insurance contract ends automatically at the moment of transfer of risk.
