Please take the following into account:

1. If your details on the *policy schedule* change, you must notify us of such immediately.
2. We assess changes in the same manner as when applying for a new insurance contract. The change could result in an increase or decrease in the *premium*.

As the insurance covers the policyholder domiciled in Germany, we reserve the right to terminate the insurance contract if your domicile is not anymore in Germany.

9. How is your insurance contract structured?

Your insurance contract consists of 2 parts:

1. The *general terms and conditions* (this document). These describe which damage is charged to us, which damage is excluded, and which are the mutual obligations of the parties.
2. The *policy schedule* are the terms and conditions that apply specifically to you. The *policy schedule* recorded shall take precedence over the general terms and conditions. You will receive this document at the time of conclusion, amendment, and annual renewal of the insurance contract.

10. What is the legal framework?

This insurance contract falls under the scope of the German Insurance Contract Act (Versicherungsvertragsgesetz (VVG)) which applies to the insurance contract.

We present the legal provisions in a language that is as understandable as possible. If a statement in the insurance contract conflicts with the aforementioned legal provisions, the latter will apply.

11. When does your insurance contract start?

The *insurance contract* starts on the date and time included in your *policy schedule*.

The coverage applies even if your bike was delivered earlier than the agreed start date stated in your policy schedule.

The *main expiry date* of *your insurance contract* remains the start date stated in your *policy schedule*.

12. What is the duration of this insurance contract?

The duration of this insurance contract is one year. The insurance contract is tacitly renewed, maximum twice, at the *main expiry date*. We will inform *you* about this 2 months before the *main expiry date*. You will find the *main expiry date* in *your policy schedule*.

We insure the *bike* for a maximum of 3 years after the *first sale*. If *you* have purchased the *bike* second-hand, we cover the *bike* up to 3 years after the first owner purchased it.

Below *you* will find an overview of when the insurance contract can be terminated.

3. You can cancel the insurance contract after a claim incident. You can do this at the latest 1 month after payment or upon the refusal to pay compensation. You can choose the cancellation period, but the contract ends at the latest at the end of the current insurance period in the event of cancellation.
4. You can also cancel the insurance contract if the insured *bike* has been stolen or destroyed beyond your control. The insurance contract ends when you notify us, in writing, that the *bike* has been irrevocably stolen or destroyed.
5. You can revoke the insurance contract within 14 calendar days after you have received the *policy schedule*, the *general terms and conditions* and the *pre-contractual information*. This is possible without having to provide any reason. The revocation will take effect immediately upon notification. You must send the withdrawal form that you have received by email to contact@qoverme.com.

REVOCATION INSTRUCTION

Widerrufsrecht

You may revoke your contractual declaration within 14 days without stating reasons in text form (e.g. letter, fax, e-mail). The period begins after you have received the insurance policy, the contractual provisions including the General Insurance Terms and Conditions, the further information pursuant to § 7 para. 1 and 2 of the Insurance Contract Act (Versicherungsvertragsgesetz) in conjunction with §§ 1 to 4 of the VVG-Informationspflichtenverordnung, and this revocation instruction in text form. The revocation is to be addressed to contact@qoverme.com.

Revocation consequences

In the event of an effective revocation, the insurance cover will terminate and we will refund to you the premiums. The reimbursement of amounts to be repaid shall be affected immediately, at the latest 30 days after receipt of the revocation. If the insurance cover does not commence before the end of the revocation period, the effective revocation shall result in the return of benefits received and of the uses made thereof (e.g. interest).

Special notes

Your right of revocation expires if the contract is completely fulfilled by you and us at your express request before you have exercised your right of revocation.

B. When can we cancel the insurance contract?

1. We can cancel the insurance contract in whole or in part by the *main expiry date*. We will notify you, by registered letter, at least 2 months before the main *expiry* date on which the cancellation commences, by bailiff's writ or by issuing the cancellation letter against a receipt.
2. We can cancel the insurance contract after a claim and at the latest 1 (one) month after the conclusion of negotiations on compensation. The cancellation then takes effect 1 (one) month after the notice of termination is received by you.
3. We can terminate the insurance contract if the *premium* is not paid. If you do not pay the *premium*, we will send you a reminder. If you still do not pay, we will notify you by registered letter in which we will inform you about the outstanding premium, the interests and costs and on the legal consequences. We grant you a final payment period of two weeks. If you do not pay within the period of two weeks, the insurance contract will be cancelled in accordance with Article 38 of the Insurance Contract Act. The termination becomes ineffective if you make the payment within one month of the deadline.
4. In specific situations, we have other termination options in accordance with the Insurance Contract Act.

14. What happens to the insurance contract if you (the policyholder) die?

The insurance contract is transferred to the entitled parties (the heirs).

Rightsholders can:

1. Keep the contract;
2. Cancel the contract within 1 month after the death. The insurance contract will then end 1 month after we received the notification.

15. What happens to my insurance if I sell the *insured bike* that is linked to the insurance contract?

If you decide to sell your *bike*, you must notify us.

After all, you will be replaced by the purchaser.

You and the purchaser are jointly and severally liable for the premium payable for the insurance period in progress at the time of the purchaser's entry into the contract.

The purchaser is entitled to terminate the contract with immediate effect or for the end of the current insurance period. The right of termination shall expire if it is not exercised within one month of acquisition, or, in the absence of knowledge on the part of the purchaser of the existence of the insurance, within one month of such knowledge. We have the right to terminate the contract within one month of knowledge of the sale with one month's notice.

16. Can I have my insurance contract suspended?

1. If your *bike* is claimed, the *insurance contract* will be suspended only because the requesting government takes possession of the *bike*. You must notify us immediately.
2. If you no longer own the *bike* by your own will (for example, resale), you cannot have the *insurance contract* suspended due to the inseparable character or nature of the *bike* and this insurance contract. The insurance

contract must be terminated if necessary. If necessary, you can take out this insurance again when purchasing a new *bike* from the *reseller*.

17. Are the insured amounts and the *premium* adjusted automatically?

For this insurance, the insured amounts and the *premium* are not indexed.

18. How is your *premium* calculated?

The *premium* (the detail of the composition can be found in your *policy schedule*) depends on the insured value of the *Bike* and the extent of your cover in accordance with the cover stated in your *policy schedule*.

Note: that if *you* are going to compare different insurance contracts, *you* will not only be able to compare the estimated costs and charges of the contracts, but *you* will also need to consider other elements such as the scope of cover, the amount of any *excess* or the exclusion clauses.
